Naartjie Paediatric Bath Chair

The Naartjie is a bath chair that provides support for children and young adults within a bath or shower

- The space saving design makes it easy to store and convenient to use at home or when travelling, encouraging more shared bath time moments.
- The optional accessories support provides additional safety and comfort for users. Also, the added security of the accessories helps make bath time less stressful for both caregivers and user.
- The bath chair leg support with non-slip material makes this bath chair usable on any flat surface.
